Can we please remind parents to inform the school on the first day of all absence and to give an expected return date. GP and dental appointments should be made after school whenever possible.

This week we are also very pleased to be introducing a new weekly award that recognises individual pupils' attendance and punctuality. A **H.E.R.O.** certificate will be awarded to one child in each class every week who is **Here**, **Every** day, **Ready** and **On** time. inspire! Education Business Partnership

Inspire! Work Week

This Monday, 22nd January marks the start of Inspire! Work Week

which our school will be participating in. Inspire! is a registered charity and Education Business Partnership that promotes links between schools and businesses. Children from all year groups will be introduced to the world of work by visiting various organisations and through taking part in fun activities at school.

A central aim of the week is that children's aspirations are raised through gaining valuable insights into the types of work they may want to think about pursuing when they are older.

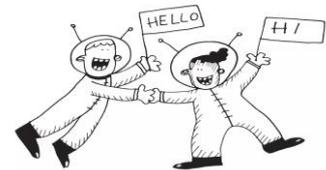

Badge Design Competition

Living Streets, a U.K. charity for everyday walking, has launched a badge design competition for next year's set of badges for WOW - the year-round walk to school challenge. The theme is *Walk the Seasons* and children are invited to create designs based on what they see as they walk to school all year round through autumn, winter, spring and summer.

If you would like to take part in the competition, design templates with all the relevant details are available at the school office. Please ensure that your designs are returned to the school by **Monday 26th February** at the very latest. We are looking forward to

seeing lots of designs with the WOW factor!

Launchpad Speech and Language Workshop for Reception parents

St. Dominic's has invested in an exciting early years package with the Speech and Language Therapy Service. Launchpad for Language is a fun-filled language enrichment programme provided by speech and language therapists for all Reception children, supporting speech, language and communication skills. Listening and talking are the key foundation skills for later literacy and academic achievement.

We are once again inviting Reception parents to attend a 30 minute workshop on Wednesday 31st January at 9.15am in the Key Stage 1 hall. Parents will have a chance to get some helpful tips and ideas to support their children at home as well as receive updates about their child's progress in Launchpad.

National Storytelling Week

National Storytelling Week
National Storytelling Week takes place this year between 27th January and 3rd February. This event is run by the

Society for Storytelling (<https://www.sfs.org.uk>) and it aims to increase public awareness of the "art and practice and value of oral storytelling".

Telling stories to each other is the oldest way we have of passing on human history to each other. It helps us make sense of our lives, it creates new worlds for us to explore together - it is a time to stop, listen and enjoy the magic of words.

There will be many exciting events taking place, so check your local libraries and newspapers to sign up for a spellbinding moment of storytelling!

Wallet Found

On Thursday, a member of staff found a wallet outside the school containing a bank card, Oyster card and some cash. If the wallet belongs to you, please see a member of staff in the main office.

Mark 1:14-20

Third Sunday of the Year

Some people have charisma, a special quality about them that inspires others and fills them with joyful enthusiasm. Jesus had so much charisma that he was able simply to invite his first disciples to follow him and they did so without a second thought or sign of hesitation.

Prayer

Loving Father, give us the courage to follow when we hear you call. Guide us back to the path that leads to your kingdom if we should lose our way. We ask this in the name of Jesus our Lord. Amen.
