All money raised will be donated to The Royal British Legion.

Holy Souls

November is the month of the Holy Souls. During this month we pray especially for our departed friends and loved ones on their last journey towards the eternal light of God. On Monday 9th November we will be holding our Remembrance Service to remember in a special way all those who have lost their lives in the two World Wars.

We also have our Book of Remembrance in the reception area where you can write down the names of your deceased relatives and friends and prayers will be offered for them during the month of November.

Medical Information

Given the current pandemic it is essential that we hold current information about any medical needs or dietary requirements that your child may have.

We are working closely with the school nursing service to ensure that all children and staff are correctly supported.

Please return the Request for Information sheet to the school office as soon as possible. If your child does not have a medical condition please tick the box 'None of the Above'.

If you have any questions please do not hesitate to telephone Andrew Armstrong or Mary Maloney.

Children in Need

The BBC's Children in Need event takes place on Friday 13th

November.

We are asking children to donate £1.00 to wear their pyjamas or onesie's and enjoy the Ultimate Feelgood Friday and kindness day! Wristbands and Budsey pin badges are available for £1.00 from the office.

We will also be holding a cake sale with cakes and biscuits priced from 50p.

their continued learning and development.

Nursery Applications

Do you have a child who will be three before the 31st December 2020 and needs a nursery place in January 2021?

If the answer is yes, then you should apply for a place in our nursery. We offer part-time and full-time places.

All you need to do to enrol your child for a place in January is come to the school office with your child's birth certificate and proof of your address.

Coronavirus Guidance

The most important symptoms of coronavirus (COVID-19) are recent onset of any of the following:

- A new continuous cough - this means coughing a lot, for more than an hour.
- A high temperature. 37.8C or higher.
- A loss of, or change in, your normal sense of taste or smell. - this means they cannot smell or taste anything, or things taste/smell different to normal.

For most people, COVID-19 will be a mild illness. However, if you or your child have any of the symptoms above you must stay at home and arrange to have a test.

You must stay at home until you get the test result and anyone you live with and anyone in your support bubble must also stay at home until you receive the result.

If your child falls ill at school with any of the symptoms above you will be called and expected to collect your child immediately and arrange to seek medical advice. It is vital that we have the most up to date contact details for you. Therefore, please ensure you have completed and returned your child's data collection sheet.

For the schools most up to date advice please see the school website:

COVID -19 - returning to school in September

Important

Get advice from NHS 111 if you're worried about your child or not sure what to do.

For children aged 5 or over - use the NHS 111 online coronavirus service.
For children under 5 - call 111.

Governors Fund

As a Catholic Voluntary Aided School, we are required to contribute 10% towards all costs relating to the maintenance of and improvement to the children's classrooms, all other buildings and the school grounds, including the school gates and fencing to the playground, as well as any IT and other equipment used in the School, including the laptops and iPads.

Our School does not receive 100% funding from the Government. This is why we ask all parents or guardians for a donation to the Governors Fund.

The donations remain at £30 per child or £45 for a family. This fund is vital and makes a difference to our school and ultimately your child's education.

We are currently having a new library and classroom built in the playground and would really appreciate any help you can offer.

Moved address?
New email address?
Have a new mobile phone?

IMPORTANT: Providing the school with up-to-date details

Can parents please ensure that contact details are kept up to date. It is essential that we have current telephone numbers for at least three adults who we can contact in case of illness, emergency or absence.

If you have changed your contact details recently please advise the school office immediately.

Thirty-second Sunday of the Year.

It is easy to be ready for something to happen when we know the day and time to expect it. Jesus explains that we must be ready for his return, even though no-one knows when he will be coming.

Prayer

Lord Jesus,

We know that one day you will return and we will be with you in heaven.

Help us to make each day our best, so that we will always be ready to greet you.

Amen
