OF HACKNEY ST DOMINIC'S CATHOLIC PRIMARY
SCHOOL**

2022/2023 Admissions Policy for the Reception Class and Years 1 to 6
(This policy does not apply for admission to the Nursery Class for which there is a separate policy)

Applications are invited for September 2022 from families whose child attains 4 years of age between 1 September 2021 and 31 August 2022.

The School serves the Hackney Catholic Parishes of the Immaculate Heart of Mary & St. Dominic (Homerton) and St Jude's (Clapton Park). The attached maps show the boundaries of the two Parishes. Parish maps are also available from The Learning Trust, the Parish Offices and from the School Office. Large-scale Parish maps are on display at the School. As a Catholic school, we aim to provide a Catholic education for all our pupils. At a Catholic school, Catholic doctrine and practice permeate every aspect of the School's activity. It is essential that the Catholic character of the School's education be fully supported by all families in the School. All applicants are therefore expected to give their full, unreserved and positive support for the aims and ethos of the School. The Governing Body is the legal Admissions Authority for the School.

Reception Places

Applicants should be aware that Nursery education is a non-statutory provision and that accordingly a child's attendance in the School's Nursery Class does not guarantee a future place in the Reception, Infant or Junior classes of the School.

Pupil Numbers

The Governing Body will ensure that the number of pupils admitted to each year group will be such as to conform to statutory legislation. The Governing Body proposes to admit 30 pupils, being the Published Admissions Number (PAN), to the Reception classes. If there are more applications than places available, places will be awarded in accordance with the Oversubscription Criteria.

Children for whom the School has been named in an Education, Health and Care Plan will be admitted to the school and will count against the planned admission number.

Applications

Applicants may apply from 1 September 2021 by completing the Common Application Form online at www.eadmissions.org.uk. Applications must be submitted by 14 January 2022.

The Admission of Summer Born Children

Parents and Carers may request that their child be educated out of his or her chronological age group. Such requests must be made in writing to the Chair of Governors at the School during the Autumn Term in the year of application and between 1 September and 31 December 2021 for children born from 1 September 2017 and 31 August 2018. Governors will consider each request on its own merits

and permission will only be given in exceptional circumstances. When the application is made, it will be ranked with all other applications and no further exceptions will be given. A statutory right of appeal will be given upon refusal if no place has been offered in any school year.

Late applications

Applications received after the closing date will be dealt with after the initial allocation process has been completed.

Reception deferred entry

Applicants may defer entry to School up until statutory school age, i.e. the first day of term following the child's fifth birthday. Application is made in the usual way and then deferral is requested. The place will then be held until the first day of the Spring or Summer term if applicable. Applicants may also request that their child attend part-time until statutory school age is reached. Entry may not be deferred beyond statutory school age or beyond the year of application. Applicants whose children have birthdays in the Summer term should be aware that, if they wish to defer, they will need to apply for a Year 1 place for the following September and if the School is oversubscribed they are very unlikely to obtain a place.

School Supplementary Information Form

The School will provide each applicant with a School Supplementary Information Form to be completed and returned to the School by the date specified on the form. A copy of this form is attached to this policy. If the Supplementary Information Form is not completed and returned to the School it is unlikely that the application will be successful, as, without the Supplementary Information Form, it will be given a lower priority.

Applicants must provide the School with a certified copy of the original baptismal certificate or the original baptismal certificate. If neither one nor both of these certificates exists applicants should indicate in writing the reasons for this being the case.

Applicants must provide the School with proof of the child's residential address. Independent verification may be sought of the child's residential address.

N.B. Both the Hackney Common Application Form (CAF) and the School Supplementary Information Form should be completed and returned, as stated above, by the due date. The Supplementary Information Form (SIF) is obtainable from the School and from The Learning Trust. The form can be collected from the School or you can ask for it to be sent to you.

Offer of a place

If the application for a Reception place for September 2022 is successful parents and, or carers, will be sent a formal offer on 14 April 2022, which is the Primary National Offer day.

Waiting lists

Waiting lists will be maintained until 31 August 2022 after which applicants will need

to reapply via the In-Year application process to remain on the list. Applicants offered a school ranked as a lower preference than St Dominic's will automatically be added to the waiting list.

In-Year Admissions

Applications for In-Year admissions are to be made by applying to Hackney Learning Trust using the In-Year application form. If a place is available and there is no waiting list then the Local Authority will be informed and the place will be offered. If more applications are received than there are places available then applications will be ranked by the Governing Body in accordance with the oversubscription criteria, with the following modifications: Catholic children without an offer of a school place elsewhere are given priority immediately after Catholic 'looked-after' children; similarly, other children without an offer of a school place are given priority immediately after other 'looked-after' children. If a place cannot be offered at this time then you may ask for the reasons and you will be informed of your right of appeal. You will be offered the opportunity of being placed on a waiting list. This waiting list will be maintained by the governing body in the order of the oversubscription criteria, as modified above, and not in the order in which the applications are received. Names are removed from the list at the end of each academic year. When a place becomes available the Governing Body will decide who is at the top of the list and make an offer.

OVERSUBSCRIPTION CRITERIA

Where there are more applications than the number of places available, places will be offered in the following order of priority.

- a) Catholic looked after children and Catholic children who have been adopted or made subject to Child Arrangement Orders or Special Guardianship Orders immediately following having been looked after.
- b) Catholic children whose parents/legal guardians are resident in the Hackney Catholic Deanery Parishes of the Immaculate Heart of Mary and St Dominic (Homerton) and St Jude's (Clapton Park). See the attached Parish maps.
- c) Other Catholic Children.
- d) Other looked after children and children who have been adopted or made subject to residence orders or special guardianship orders immediately following having been looked after.
- e) Children of other Christian denominations whose parents wish them to have a Catholic education and whose application a Priest, Minister or Church Leader supports.
- f) Any other applicants.

In giving priority to applications within the oversubscription criteria first priority will be given to children who will have a brother or sister attending a Reception, Infant or Junior class at St Dominic's Catholic Primary School at the proposed date of admission. A second priority will be given to children of members of staff, where the member of staff has been employed at the School for at least two years at the proposed date of admission.

The Governing Body will increase to top priority an application within a criterion where compelling evidence is provided at the time of application of an exceptional social, medical or pastoral need of the child that can only be met at St Dominic's Catholic Primary School.

The Governing Body will require written evidence from an appropriate professional, such as a priest, doctor or social worker.

Tie-breaker:

Where the offer of places to all the applicants in any of the criteria listed above would lead to oversubscription, places up to the admission number will be offered to those children whose parents' or carers' residential address is the shortest distance measured in a straight line from the main entrance door of Homerton Library, Homerton High Street, London, E9 6AS to the parents' or carers' residential address. For the purpose of calculating distances, the home address is identified by using the property geographical reference as determined by Hackney Learning Trust.'

Twins or multiple births:

If only one place is available for more than one child, who are twins or of a multiple birth within the same family, all the children will be admitted.

Appealing against an unsuccessful application to the Reception Class and Years 1 to 6. Unsuccessful applicants have the right to appeal to an independent panel. Parents wishing to appeal should obtain an appeal form from the School. This should be completed and returned to the School, marked for the attention of Clerk to the Admission Appeal Panel, within the recommended closing date, which is 25 school days following receipt of the letter confirming that the application has been unsuccessful. The deadline for lodging an appeal is Monday 8 June 2019.

If an appeal is unsuccessful, the Governing Body will not consider a further application within the same school year unless there have been significant and material changes in the applicant's circumstances.

Fair Access Protocols

The School is committed to taking its fair share of vulnerable children who are hard to place, in accordance with the locally agreed 'In Year Fair Access Protocol'. Accordingly, outside the normal round of admissions, the Governing Body is empowered to give absolute priority to a child where admission is requested under any local protocol which carries the agreement both of the Governing Body and the Diocese for the current admission year. The Governing Body has this power even when admitting such a child would exceed the normal admission number.
